FOR THE YEAR COMMENCING SEPTEMBER 1

1926

VOLUME XCVII

Containing

Alphabetical Section. (Troy, page 233; Cohoes and Waterford, page 753; Watervliet and Green Island, page 927.) Gives names, occupations and addresses of all men twenty years old or over, women who carry on business,widows, and all business houses. Dates of deaths during the previous year are given, and where possible, the addresses of people who have moved to other cities. The names of partners in firms are given in this department with much other information that cannot be found elsewhere.

Business Directory. (Troy, page 665; Cohoes and Waterford, page 899; Watervliet and Green Island, page 1067.) All business houses, individuals in business for themselves, and professional men are listed without charge under the heading that best describes them. The more progressive houses, realizing that it pays to be easily found, pay a nominal charge for special listings in heavy type, under every heading where a buyer might look for them, cross-indexed to a descriptive space in the "reference section."

House Directory. (Troy, page 565; Cohoes and Waterford, page 859; Watervliet and Green Island, page 1039.) A list of Householders and Places of Business arranged in numerical order upon their respective Streets. The Streets are arranged in alphabetical order and show ward in which they are located. The location of Intersecting Streets is clearly shown at the actual numbers where they intersect.

Advertising Department. (Page 77.) Where more information than is possible to give under the headings is placed on file for buyer's and seller's reference. The value of this department cannot be estimated. It is an index of the best business interests of the city, and stands for them and the city in reference libraries all over the country, as well as on the desks of progressive business men. It is accessible to everybody, and the logical place to look for specific information. This probably explains why no other form of publicity is so generally endorsed by business men, as a glance at this department will show.

Map. (Opposite this Page.) The clearest map ever made of the city, on a scale large enough to see, and small enough to be handled easily.

Street Directory. (Page 53.) A complete list of Streets, giving numbers at intersections, and enabling one to tell at once between what streets a given number lies, and the quickest way to get there.

An alphabetical list of Halls, Blocks and Buildings from which street and number may be found for addresses which only give name of a certain building.

Miscellaneous Information. (Page 17.) Organization of City Departments, giving officers—Cemeteries—Post Office branches—Parcel Post zones and rates—Churches and ministers—Societies, Institutions, etc., with officers—Courts—Population tables—Calendar, etc.

TROY STREET DIRECTORY

COPYRIGHT, 1926, SAMPSON & MURDOCK CO., INC.

Giving the name of each street and showing what other streets and places run from it or across it with the number at which they intersect.

From this list the location of any number on a street can be easily ascertained; as for instance, wishing to know at what part of Second street No. 168 comes, look at Second street, and it is found that Liberty street crosses at 156, Washington street at 178, showing that 168 Second street would come half way between Liberty and Washington streets.

Ciphers are substituted for numbers on streets not fully numbered.

A Public Service Publication

Few lines of Business have such a varied clientele as has the City Directory. It serves high and low, rich and poor, with equal impartiality and with profit to all.

It answers the questions What? and Who? which arise in daily Business life and fills a position occupied by no other publication under the sun. It is often used from its issue until it falls to pieces and seldom will you find one entirely discarded while its leaves cling together. A publication which is used so universally and whose life is so long, must appeal to every shrewd business man as a most desirable advertising medium.

WHAT OUR DIRECTORIES CONTAIN

The Directory Lasts Twelve Months

After the New One comes out —
your adv. in the Directory is still good, for Directories are seldom entirely discarded while they hold together. They are either kept for reference or for home use while a new one is bought for the office.

Even After Five Years —
some of these Directories will be in active use. Your adv. is still in service.

THE BANK FOR YOUR SAVINGS

The Troy Savings Bank—a bank of proved strength—is the ideal depository for your funds.

It has been the guardian of the people's savings for over a century and is a purely mutual institution conducted solely in the interests of depositors.

Thousands of men and women have accumulated substantial accounts by regularly depositing a fixed portion—sometimes a very small amount—of their earnings every week or month; what others have done you also can do. Deposits received from $1.00 to $7,500.

National Advertisers Are coming more and more to realize that newspaper or magazine publicity brings better returns when coupled up with an advertisement for the local agent in the city directory. Put — "See the city directory for our local agent" on all your advertising and see to it that he is listed under all the classifications of your line.
